WHOOAH! COOKIES!!

YEAH! YEAH!
Do you want some?

PLEASE, MAY I HAVE SOME COOKIES, MASTER!?
Then say, "Please, may I have some cookies, Master?"

HMMM, SHOULD I GIVE YOU SOME?♡
HEHEHEHEH

It doesn't taste weird?
MMHM! IT SH YUMMY!
Is it good?
Your stomach doesn't hurt or anything?

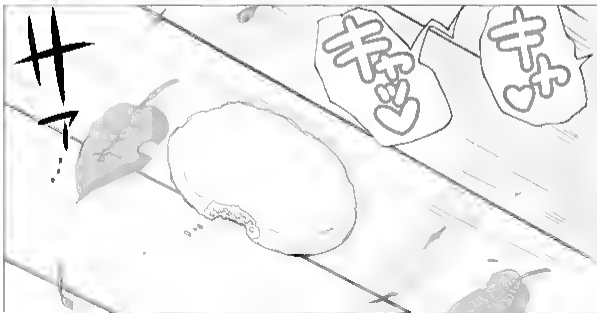
KANA... DID YOU LET ME EAT THAT WHEN YOU DIDN'T KNOW WHAT IT WAS...?
Goody, so it really was flour
UH...
HUH!?

YOU MON-STER!
GOOD JOB!
No, I had you eat it because I didn't know what it was

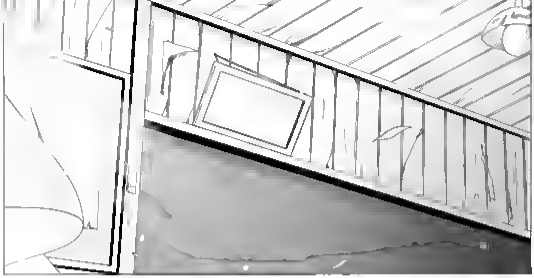
キューン
AARGH YOU'RE SO CUTE I HAVE TO FORGIVE YOU!!
Yup, it's all done.
Oh, you finished it?
Then should we have dinner now?
Ooh, what're we having tonight?
Soup made from the mushrooms I picked out back!♡
Uhh...

You don't want to get food poisoning again, do you?
Are those mushrooms edible?
Yes?
Kana?

キュー
AARGH, YOU'RE SO CUTE I HAVE TO EAT THEM!



キュ
キュ



Glad to hear it.
This is good! It doesn't taste weird at all.
Uh...
Well, I'll just eat the Caramel Mocha in my bag, then.

...It's really quiet here, though
It's nothing like our town
I know, right?
The breeze feels so nice. There's barely any buildings too, so it's just green as far as you can see
It's almost like we're the only people in the whole world
Heh heh heh
What're you saying, Natsu?

There's no "like" about it.

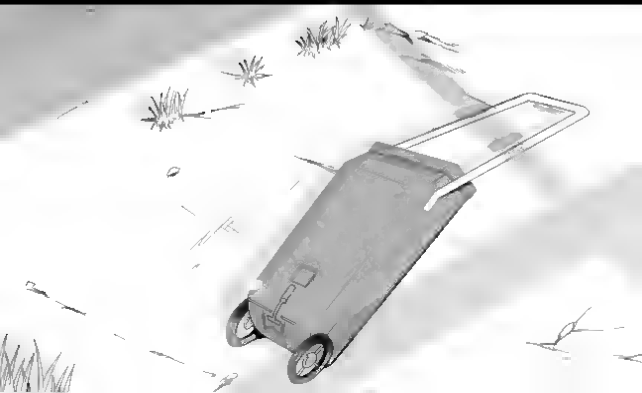
Hoo
We are the only people in the world.

A sky covered in clouds,

a town surrounded by forest.

and houses where the lights don't go on after dark.

Where are we?



is anyone there?

The two of us made plans to go see a movie on the first day of summer vacation.

We hadn't decided what movie to watch, so we figured we'd just see what was playing when we got there

With nothing decided other than that'd we'd be getting large popcorns, we headed to the movie theater.

But
When we came out of the subway.

we were here.

It's fine!
Is this okay? Is it okay? Are you sure this is okay?
This is our third day here. We can't live on plants and the candy we had forever.
Y-yeah.
Do you have any other ideas?
Are we really doing this?

I... I CAN'T! This just looks like we're breaking in! What if I set off an alarm!?
There weren't any lights at night, so you'll be fine. Probably♡
PRO-BABLY!?
BATHS!?
We need baths, too
Besides, we're already starving

And I had my flashlight for when I go to cram school, so we'll be able to see at night.
Fortunately, we were on the way to school, so we've got our thermoses and lunch-boxes

BECAUSE YOUR FACE WAS CUTE!

Nah, that wasn't it. It was more like
So you pitied me, then?
Well, that really was the reason at first...
So you were scum even in elementary school

But now it's just because you're fun to be around, Shiori

YUZUUU!!
I GOT A REAL GUN! IT'S SO FREAKING AWESOME! LOOK!
IT'S SO AWE-SOME!
LOOK! IT'S AN 89! A 5.56 MM RIFLE!
ドドド

You're much too relaxed given what's going on, Momiji
KISS THE COOK
Those are dangerous. You'll hurt yourself if you just wave them around like an idiot
Well yeah I was really surprised at first, but this town's full of awesome knives and guns!
WAIT, YOU MADE OKONOMIYAKI!?
じゃっ ちゃ、ちゃ、

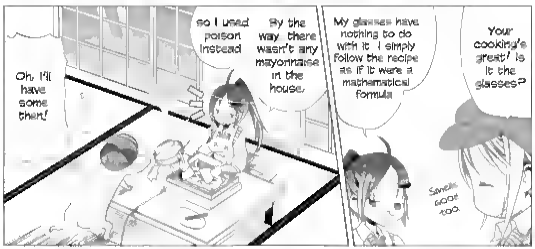
Can't you be like me and show some restraint?

Man, I'm surprised that I, the Lantern Fish of South High, can get along so well with you.
Please stop talking.
Are you going to eat or not?



Oh, I'll have some then!
So I used poison instead
By the way, there wasn't any mayonnaise in the house.
My glasses have nothing to do with it. I simply follow the recipe as if it were a mathematical formula
Your cooking's great! Is it the glasses?
Sensei, good too.

Everything tastes better with ketchup! It's like magic in a squeezy thingy!
Tomsto Momiji's personal ketchup!
Tadaaa!

That sounded really cool and really scary at the same time!!
And so it shall be as if 'twas thy own blood.
YOU GIVE YOUR FRIENDS POINTS!?
And you just lost five points
WHAT'S THE POINT OF PUNCHING SOMEONE AFTER YOU CUT THEIR HEAD OFF
Next time, I'll cut off your head and punch you in the face
Never put ketchup on my cooking again
NOOO!!
ゴロバッカ ガシャーン
Right now, you have negative 675 points
HUH!? WHAT ABOUT ME!? I'M YOUR BEST FRIEND RIGHT!?
You start at zero. Fifty makes you my friend, a hundred makes you my best friend.

What are you talking about?

YUZUUUUU!
Get off me.

So what now? Should we look for that thing from yesterday?
Huh?
Umm...
Momiji, why do you think you and I are here?
...
You think there's someone over there where that flash of light yesterday was?
Maybe we're were kidnapped?
Or maybe we got drugged and tossed out in the country like in the movies.

?
I agree that we were probably drugged, but I don't think it's as simple as just being put to sleep
Yaaay, recognition
Five points
Oh, so you can think
Because we're *enjoying ourselves* too much
We're too calm in a world that makes no sense at all
The two of us are just living our lives without doing anything

For some reason, we feel like it's perfectly natural for us to be here

The guns aren't the problem
Yeah, there are a lot of guns here...

There's no wind.

The clouds haven't moved an inch.

they can bring it on!
Whoever brought us here
Hah hah heh...
I'll solve...
this mystery.

Good thing I've got my BB...
...But yeah, this world does seem danger-ous
She looks like she's having fun
Ahaha! Hahaha!
